THE TAKEAWAY

Each unique add-on category (Application, Mentorship, Test Prep, Coaching) earns an additional 2% off your base package.

COMMON QUESTIONS

Q. How do you count schools?

The UC system counts as 1 school: all nine UC campuses share one application.

Q. Why does starting earlier cost more?

A Grade 9 package covers three years of meetings, summer planning, and strategic course-selection guidance; a Grade 11 package covers one. The per-year rate actually falls as the engagement grows.

Two reasons to commit *early*.

Capacity fills fast.

REFERRAL

5% off

When you come to us through a current or former family. Same rate across all grade levels.

SIBLING · PAY-IN-FULL

5% + \$1,000

Sibling discount for families with multiple children. Pay-in-Full incentive of \$1,000.

BOOK A CONSULTATION

Meet 1:1 with Ryan Choi. We discuss your student's strengths and room for growth, then develop a strategy to target top-choice colleges.

LAUNCH THE BLUEPRINT

A detailed academic and extracurricular plan for the year ahead. Families receive a 24/7 student portal with timeline benchmarks and progress tracking.

MEET REGULARLY WITH RYAN AND THE TEAM

Direct Zoom partnership with Ryan, plus specialists on the team. For non-seniors, a comprehensive plan for the years ahead.

\$

Locked pricing. The rate at enrollment holds through senior year, even as the engagement deepens.

Foundation compounds. Years of strategy applied early beats months of execution applied late.

10+

Direct partnership. A minimum of 10 hours one-on-one with Ryan Choi, by Zoom.
